

A.C.B.A. Bowling Tourney Opens Tonight—Sixteen New Alleys Installed

Smoke All Day

if you like — SOVEREIGN feels good to your throat — keeps it cool and comfortable — you never want to stop smoking.

Entirely Different, isn't it? Right. Because the better blend of Southern-grown Old Belt tobaccos in SOVEREIGN is rolled in the highest-grade imported French paper — pure, tasteless, burns evenly, without charring or smouldering.

That's why SOVEREIGN has such wonderful flavor.

A. C. B. A. TOURNEY WILL AWARD \$7,218 IN PRIZES TO BOWLERS

Three-Fourths of Entire Entrance Fees to Be Returned to Players—Big Affair Begins at 8 O'Clock Tonight.

The Atlantic Coast Bowling Association tournament, which begins tonight at 8 o'clock in the old census building at 1st and B streets northwest, will give \$7,218 in prizes. The total amount of cash to be awarded the winning teams and players is three-fourths of the entrance fees, the other fourth being deducted for the tournament company. The total entrance money is \$9,625, much less than it would have been had New York, Philadelphia and Boston sent as many teams as local promoters of the tournament had been led to believe.

More prize money will go to the five-man duckpin teams than in any other class, the entrance fees for the small pins having far exceeded the others. There are 124 duckpin teams against fifty-two tenpin and seven candlepin. The fees for duckpin entries were \$5,485, while the fees for tenpins are \$3,710, and for candlepins \$149.

It is very probable that a list of the prize money will be posted in some prominent position in the hall, so that the bowlers may see what they are rolling for. Last year when the local

pin spillers went to Boston they never knew what they were to receive in the way of prize money until after the tournament. It is the desire of the local tournament management to accommodate all the participants by giving them a correct idea of just what their rewards are going to be.

Everything is in shape to start the first balls down the alleys tonight. The finishing touches were put on the runways this morning, and the sixteen of them present a splendid appearance. There is no doubt that the visitors to this city are going to be attracted by the commodious quarters which have been obtained to house the tournament and the preparations made for their convenience. Local followers of the sport will find that nothing has been left undone in order to let visitors know that Washington is not backward in handling an affair of this character.

The double scoring system is to be used. A scorer will be seated at each end of the alley, so that there will be no chance for mistakes. Mechanical pin spotters and electric scoreboards also have been installed. In fact, nothing has been left in charge of the affair could think that would help to make for success has been left undone.

Many Side Attractions.

And there are to be other attractions besides bowling. Over in one corner is perched a little tent, in which will sit an individual claiming to tell all one cares to know about the future or the past, and not twenty feet away is—but that would be telling too much. Those who go to the tournament may rest assured that they will have a chance to see everything, from dancing to fried frankfurters and trained fairs.

ST. ALBAN'S TRACK MEN ENTER IN FIVE MEETS THIS SPRING

First Appearance Will Be at University of Pennsylvania Relay Games—Open Their Diamond Schedule Tomorrow.

BY H. C. BYRD.

The St. Alban's track and field squad will be entered in five meets during the outdoor season. The first competition for the Episcopalians will be at the University of Pennsylvania relay races, on the last Saturday of this month. On the following Saturday, May 6, they will participate in the Maryland Agricultural College meet; May 13 they will go to Princeton, and May 20 take part in the Tonne games at Port Deposit. May 20 is the date on which the annual field day of the school is to be held.

The St. Alban's team stands a good chance to score well in every meet in which it takes part. The Episcopalians have some mighty clever performers, and if they fail to register a lot of points in each of the mentioned sets of games it will be a big surprise to close followers of the sport.

St. Alban's is to open its base ball season tomorrow. Tech will appear at Satterlee Field in the first contest. All the games are to be played at home, except the one with the Army and Navy Preps and the Boys' Latin School, the former being scheduled for the Army and Navy Preps' field and the latter in Baltimore. The schedule follows:

Tuesday, April 4, McKinley High School; Saturday, April 8, Central Prep School; Tuesday, April 11, Central Prep School; Saturday, April 15, Eastern High School; Tuesday, April 18, Eastern High School; Thursday, May 11, McKinley High School; Thursday, May 18, Army and Navy Preps; Thursday, May 18, Western High School; May 27, Boys' Latin School, Baltimore.

The Government League has adopted its schedule for the season, which is to open May 1. The first contest will take place between the Marines, winners of the championship a year ago, and the Commissioners. The Commissioners have taken Liberty's franchise, the latter having dropped out to allow a stronger club to enter the circuit. The list of contests follows:
